

TRIMIT FOR FURNITURE

YOUR SHORTCUT TO SUCCESS

TRIMIT FURNITURE

Software solution for Furniture powered by Microsoft Dynamics NAV

All the Functionality a Furniture Company Needs

TRIMIT Furniture offers all standard functionality expected of a Furniture IT solution – and much more. Starting with product design, through the sampling and production process all the way to stock control and sales through various sales channels.

Covers Your Entire Supply Chain

With Dynamics NAV and TRIMIT you have the entire supply chain covered and you get an end-to-end furniture solution that allows you to stay on top of the challenges you face and make your everyday work much more efficient.

Seamlessly Integrated Webshops and Portals

TRIMIT Furniture comes with 2 webshops and 2 portals: B2C, B2B, Sales Agent Portal and Supplier Portal. They give instant access to information for external partners such as shops, sales agents, etc. Furthermore, they offer out of the box functionality integrated directly to Dynamics NAV.
