Adult Care

AccessHealth's team of Board Certified Family Medicine Doctors and Healthcare Providers do more than care for our patients' health, they build long-lasting relationships with adults and their families.

Our Family Medicine Providers integrate biological, clinical and behavioral science to provide healthcare while taking into consideration the patients' families and community.

Quality care provided by AccessHealth's Family Medicine Providers includes:

- Annual Exams for Men and Women
- Sick Visits
- Family Planning Services
- Chronic Disease Management
- Referrals
- On-call Providers
- Preventive Healthcare
- Patient Center Medical Home
- Nutrition Counseling
- Behavioral Health Services
- HIV Care Management

Appointments are available Monday through Saturday, including evenings. Call today!

As a responsible and caring adult, you may often put the needs of your loved ones ahead of your own. However, few things are more important than your own health. Without your health, everything else suffers.

At AccessHealth, our providers are making it more convenient and affordable for everyone to receive quality, comprehensive healthcare.

As a not-for-profit organization, we do not turn away anyone in need, serving approximately 27,000 individuals each year in Fort Bend and Waller Counties.

Registering is Simple

At AccessHealth, healthcare is available to anyone in need, regardless of access to insurance. We accept Medicaid, Medicare, CHIP, most private insurance and also offer a sliding fee scale to qualified patients.

Requirements

Insured:

If you receive Medicaid, CHIP, Medicare or have private insurance you may call one of our service centers to schedule your appointment. Please be prepared to provide:

- Identification
- Proof of insurance

Uninsured:

If you are uninsured, patient registration is offered at our Richmond, Missouri City, Stafford and Brookshire Centers. Please be prepared to provide:

- Identification
- Proof of income
- Proof of residency

Our Certified Application Counselors can assist you with Medicaid, CHIP and the Health Insurance Marketplace applications.
