PET LINE

An array of products with fast acting, safe and effective formulas creating solutions for all pet care scenarios.

Our Story

EQyss Grooming Products was founded in 1991 by compassionate pet owners who wanted a better quality grooming product for their family pets. The passion that started EQyss spread to creating products for every pet lover looking to provide their pets with cutting edge premium quality grooming solutions. With an array of specialty products, first and foremost, EQyss solves problems.

We manufacture all of our products in our own facility located in Vista, California using only U.S. sourced raw materials. Our commitment to Clean Technology includes using solar energy, purified water, and FDA manufacturing standards to ensure the highest quality for all of our products. Made in the USA and 100% Satisfaction Guaranteed. Our brands include Micro-Tek®, Premier, Mega-Tek® and Avocado Mist® to name a few.

*Creating Solutions with premium quality ingredients,
formulations, and manufacturing processes*
