

SAY IT RIGHT THIS YEAR

With a Thank You they'll remember

Two small words, one big impact. Never underestimate the power of thank you – it's one of the biggest mistakes a company can make.

**IN FACT, ACCORDING TO FORBES
MAGAZINE, A MASSIVE 79% OF
EMPLOYEES QUIT BECAUSE THEY
FEEL UNAPPRECIATED,
SO A THANK YOU
CAN GO A LONG WAY!** 

But words are just a start – and we can go one better!

Make a lasting impression on your employees with reward vouchers, the ultimate way to thank your staff for a job well done.

FOR COMPLETE FLEXIBILITY,
OUR GIFT CARDS COME IN
MANY FORMS:

Fixed denomination gift cards

Sometimes simplicity is best. Fixed denomination cards come in set values (e.g. £5, £10) so ordering your card is super easy.

Variable load gift cards

A variable load option means you can set the amount and we'll load it all on one card! If you want to vary the value per employee e.g. based on role or salary, we've got it covered.

Prepaid cards

Simply load an amount onto the card and your staff can spend at any retailer that accepts Visa! Like cash but with the personal feeling of a gift card.
