**PLEASE NOTE**

- Due to the fabric width being used as the drop, the maximum standard length is 274cm/108"; any drops greater in length should be quoted on an order per order basis. Please email sales@smd-textiles.co.uk for quotes.
- Due to the fabric being used width for length the fabric requirement will remain the same despite any varying drops within the same track width.
- All weighted voiles are weighted along the length of the roll.
- All voiles are weighted with exceptions of Serene, Lina & Mara.
