

Club Benchmarking Member Testimonials

- "Club Benchmarking provides invaluable data used to compare our performance with that of other clubs. I find the 5-year trend, dashboard, forecast, and budget reports to be the most useful."
- "The responsiveness, expertise, data, reports, ease of use of the system in general all combine to provide our club with incredible insights that we have never had before."
- "Club Benchmarking has been extremely responsive to our questions and are always willing to assist us in answering some of the specific issues we may be having with our Club"
- "The Club Benchmarking platform itself, the webinars, the white papers, the entire package are an invaluable set of tools for our club."
- "The Club Benchmarking team does a great job! They are always available when I need them for a conversation, an answer or an opinion."
- "Club Benchmarking has been the standard for our industry for several years. They have been able to structure the information so that we can effectively use it to educate our staff and Boards. Thanks! "
- "My Club Benchmarking subscription is the best money I spend each year. "
- "They have never failed to help or point me in the correct direction. Invaluable as a General Manager. "
- "The entire team is amazing to work with and provide amazing benchmarking information. "
- "Much appreciate the support of Club Benchmarking and their willingness to add the requested data to CB's list of fantastic reports. "
- "Good guys, great service. I have worked in clubs where getting comparative data was like pulling teeth and it was only available through back channels. Club Benchmarking is a much better solution! "
- "Member service provided by Club Benchmarking is excellent. Whenever I have a question, I can simply pick up the phone and call. I appreciate how much they care about me and what I am trying to learn. "
