INFORMATION ABOUT THE SERVICE

SERVICE DESCRIPTION

13 numbers are 6 digit numbers where the caller is charged a local call rate from any landline in Australia. Higher rates apply when calling the number from a mobile and are determined by the caller's mobile carrier. They are national inbound numbers and can only be used for receiving calls where the account holder is charged a call rate dependent upon its origin and where the 13 number is being routed to.

13 numbers offer a high level of call handling flexibility and can be routed to one or a range of answering points which can be either a landline or a mobile phone number.

13 numbers come with included features such as Auto Attendant, Voice2Email, Business Intro Message, Geographical Routing, Time Dependent Routing, Call Alert, Call Forwarding, Call Overflow, Call Distributor and Call Barring.
