LD DAVIS PARTNERS WITH BOX WOOD FORMS

June 26, 2019, Jenkintown, PA — LD Davis Glues & Gelatins is excited to announce our recent partnership with Best Wood Forms.

For almost 30 years, Best Wood Forms (formerly Best Wood Products) has been the go-to producer for rigid paper box machine tooling. Based in Elmira, NY, Best Wood Forms provides tooling for a variety of rigid box making equipment including: Emmeci, FMC/Crathern, Zhengrun.

All Best Wood Forms products are made in the USA, created from premium Baltic birch and maple ply-woods, and coated with a polyurethane finish for increased durability.
