Refund policy

Policy Statement

Selmar Institute of Education is committed to the fair and transparent application of fees and charges, including the processing of refunds. Students are provided with details of all fees and charges and copies of the relevant refund policy prior to enrolment.

This policy outlines the circumstances in which a student may receive a full or partial refund of their tuition fees.

Scope

This policy applies to the refund of fees paid for the delivery of courses to local students. Refunds may be provided to students, their employers or any other agency which has paid the course fee on behalf of a student.

Definitions

Tuition Fee – The tuition fee for the delivery of the training.

Materials fee – A charge to cover the cost of manuals or other materials required by the student for a specific course. These items remain the property of the student.

Full Refunds

Selmar cancels a course

Where Selmar cancels a course, a full refund including tuition fee and any materials fee will be offered. Selmar will make every effort to reschedule the course and offer an alternative place to the student. The student is not obliged to accept alternative offers and may request a full refund instead. The materials must be returned in a re-sellable condition to receive a refund of the materials fee.

Withdrawal prior to commencements

Where a Government funded student withdraws from a course prior to the course commencement date, a full refund of the tuition fee will be provided.

Where a non-government funded student withdraws from a course with 7 days notice prior to the course commencement date, a full refund of the tuition fee will be provided.

Partial Refunds

Withdrawal Prior to course commencement

Where a non-government funded student withdraws from a course less than 1 week before course commencement they will receive a 90% refund of course fees.

Withdrawal after course commencement

All students who withdraw within 4 weeks of course commencement will receive a 60% refund of tuition fees.

No Refund

Students who withdraw after 4 weeks of commencement will not be eligible for a refund.

Where a student's enrolment is cancelled by Selmar Institute of Education due to a breach of the Discipline Policy (SMP 21) no refund will be provided. A student has the right to appeal the decision to cancel enrolment due to a breach of the Discipline Policy (SMP21).

Notification of withdrawal and requests for refunds

Withdrawals must be requested in writing on an Enrolment Variation Form.

Exceptional Circumstances

In exceptional circumstances the Head of Department may authorise a partial refund of the tuition fee for a student who withdraws 4 weeks after the course commencement date. The proportion of fees to be refunded will be at the discretion of the Head of Department and take into consideration how much of the course the student has completed.

Exceptional circumstances are defined as those where due to illness or injury a student is unable to continue their studies and would not reasonably be able to continue after a 6 month deferral.

Refund of Materials Fees

Materials fees may be refunded at the discretion of the Head of Department where a student cancels before, or within 4 weeks of course commencement. The materials must be returned in re-sellable condition and the Head of Department will determine whether there is a possibility of re-selling them to another student before offering a refund.

Suspensions

Selmar Institute of Education can suspend a student's enrolment in the following instances:

- Student misbehaviour as outlined in the Discipline & Termination of Studies Policy SMP21
- As part of an intervention strategy for unsatisfactory course progress
- In compassionate and compelling circumstances

The length of time a student can have their enrolment suspended at the initiation of the Institute is at the discretion of the Head of Campus. A student's enrolment cannot be suspended for more than one term (10 weeks) without re-assessing the circumstances that led to the suspension to determine if they are still applicable.

Cancellations

Selmar Institute of Education may cancel a student's enrolment in the following instances:

- Student demonstrates serious misconduct as outlined in the Discipline & Termination of Studies Policy SMP21
- Erratic course progress, for example, consistent unsatisfactory course progress or continuous absence from scheduled course hours.
- In the case of Government Funded students
- – failure to show ongoing monthly engagement in units of study.
- Non payment of outstanding fees
- Failure to return to study after the end of an approved suspension period.

Student initiated Deferral, Suspension or Cancellation

Deferral

Students may defer prior to commencement of a course in the following limited circumstances:

1. on the grounds of compassionate or compelling circumstances (at the discretion of the Institute)

Students must request a deferral of the commencement of their course prior to the course commencing. The request must be made in writing to the Administration Department on an Enrolment Variation Form (SMF11).

The length of time a student may have their enrolment deferred is at the discretion of the Head of Campus but may not exceed 6 months. The student will receive a Confirmation of Enrolment letter and a new Student Agreement (SMF 3) to reflect the new commencement. Deferral does not entitle the student to a refund.

Suspension

Once a course has commenced, students may request a suspension of their enrolment on the grounds of compelling or compassionate circumstances. Students must submit a Course Variation Form (SMF11) to the Administration Department with documentation attached to support their claim of compelling or compassionate circumstances. The granting of a suspension of enrolment is at the discretion of the Institute.

The length of time a student may have their enrolment suspended is at the discretion of the Head of Campus and will depend on the individual circumstances. Suspensions of more than 3 months will not be granted without a re-assessment of the circumstances.

Suspension does not entitle the student to a refund.

Students who fail to return to study at the end of an approved suspension period may have their enrolment cancelled.

Cancellation

All students wishing to cancel their enrolment must apply in writing to the Administration Department on a Course Variation Form (SMF11).

If the student requests a refund, the Refund Policy will apply.

Assessing and recording student requests to defer or suspend.

The Head of Campus is responsible for approving student initiated deferrals and suspension.

In assessing the request the Head of Operations and Administration will consider:

- the evidence provided by the student to demonstrate compelling or compassionate circumstances
- the impact these circumstances may have on the ability of the student to continue with their studies

- the impact these circumstance may have on the ability of the student to complete the course within the expected duration of study specified on the CoE.
- support options available to the student (e.g. counselling, temporary reduction in course load, specialised trainer to attend workplace something along the lines of distance learner options)

Students will be advised in writing of the outcome of their request for a deferral or suspension. If a student is dissatisfied with the outcome of a request they can access the complaints and appeals process.

All documentation relating to the assessment and outcome of student deferral, suspension and cancellation applications will be kept in the student's file. All discussions undertaken with the student during the processing of the application must be recorded on the Student Management Database (WiseNET).

Students are advised to retain their original documents (eg. medical certificates, police Statements) for their own records and submit copies with applications for deferral, suspension or cancellation. Selmar Institute of Education may ask to see the original documents.

Completion within course duration

Students have a maximum of 6 weeks after the completion of all classes and work-placements to submit required assessments. After 6 weeks the student's enrolment will be closed and they will be withdrawn from incomplete units. Students who require an extension of study time must request this in writing from their trainer before the 6 week completion time has passed. Request for study extensions should explain the reason the extension is required and the timeline for completing outstanding units. The trainer will determine whether or not to grant an extension, and for how long, based on the student's academic performance and the information outlined in the request for an extension.

Students who are dissatisfied with a trainer's decision regarding a request for an extension have 20 working days to access the Selmar's internal complaints and appeals process.

Appealing a deferral, suspension or cancellation decision.

In cases where cancellation or suspension of the student's enrolment is initiated by the Institute, students will be notified in writing of the reason for the cancellation or suspension and given 20 working days to access the Institute's internal complaints and appeals process unless 'Extenuating Circumstances' relating to the welfare of the student exist.

If 'Extenuating Circumstances' exist the cancellation suspension can be implemented prior to the 20 days appeal period passing.

Appeals will be dealt with expeditiously to minimise any disadvantage to the student in the event that their appeal is upheld. Students are not permitted to return to class until the process has been finalised. However, at the discretion of the Head of Operations and Administration, students may be provided with course material and contact with a trainer to enable them to continue their studies off-campus during the appeal process.
