sabis.net

SABIS® Digital Platform is a password-protected web and mobile application featuring tools and resources packed with advanced and practical features for parents and students in SABIS® Network schools.

The platform allows parents and students to log in and access relevant information tailored to their needs and preferences, keeping them informed, connected, and alerted at all times.

The screenshot displays the SABIS Digital Platform website. At the top left is the SABIS logo with the year 1886. The main header area features a large banner with the text "Welcome to the SABIS® Digital Platform" and a description of the platform's capabilities. Below this is a login form with fields for "Username" and "Password", a "Forgot Credentials?" link, and a "Login" button. To the right of the login form is a promotional image of students holding a globe, with the text "A World-Class, K-12 Education" and the website URL "sabis.net".

The "In The News" section contains four news items:

- SABIS® Educational Summer Camp – England**: Learn more about this camp that promotes education, culture, and fun! [Find out more --](#)
- Life at Ashwicke Hall School – Bath, England**: Find out what it's like to study at Ashwicke Hall School – England. [Find out more --](#)
- SABIS® Educational Summer Camp at a Glance**: The annual SABIS® Educational Summer Camp is like no other! [Find out more --](#)
- Full-Year & Study Abroad Programs in England**: Discover a unique educational experience at Ashwicke Hall School. [Find out more --](#)

The "The Experience" section highlights three key features:

- Informed**: Track of important dates in the school calendar and stay up-to-date.
- Connected**: Stay connected with the school environment and engage in learning anytime, anywhere.
- Alerted**: Real-time alerts, reminders, and notifications from the school directly to your device.

The bottom section features a smartphone displaying the SABIS Parent mobile app interface for "Ray Allen Tracy" (GR3 - A). The app shows various icons for "Progress", "Schedule", "Downloads", "Homework", "Team", "Exams", "Attendance", and "Report". To the right of the phone, the text reads "SABIS® Parent" and "Parents on the move can enjoy easy access to the services they regularly use." It lists features for parents, such as receiving push notifications, tracking development progress, monitoring homework, and viewing student involvement. Below this text are three download buttons: "Download from Windows Store", "Download on the App Store", and "Get it on Google play".

SABIS® Digital Platform offers parents easy access to stay in the know about their child's academic performance and school involvement by logging in to SABIS® Digital Platform or downloading the mobile app. Parents have the option to customize push notifications and will receive automated alerts sent by the school.

Available information includes:

- Updated academic overview
- Detailed schedule and interactive school calendar
- Most recent school news, announcements, and photos
- Latest school reports and download material
- Important school links
- PrepList and On-Demand Tutoring

The screenshot displays the SABIS Parent Digital Platform interface. At the top, it says "SABIS® Parent". Below this, the user profile for "SIS-Adma" is shown. The interface includes several tiles: "SABIS® Parent Mobile - Options AY1617" with a date of "Monday, December 19, 2016"; "SABIS® Newsletter"; "Photo Gallery"; "School Links"; a video player showing students; a calendar for "Term 2 - Week 5 January 2017" with "Armenian Christmas" highlighted; and "Mobile App Subscription". Below this, the user profile for "Celine" is shown with a "My Family" dropdown. The interface includes tiles for "Progress Overview", "Reports", "Schedule", "Downloads", "On Demand Tutoring", "PrepList", and "Student Learning Environment". The footer of the interface shows "© 2017 SABIS®".

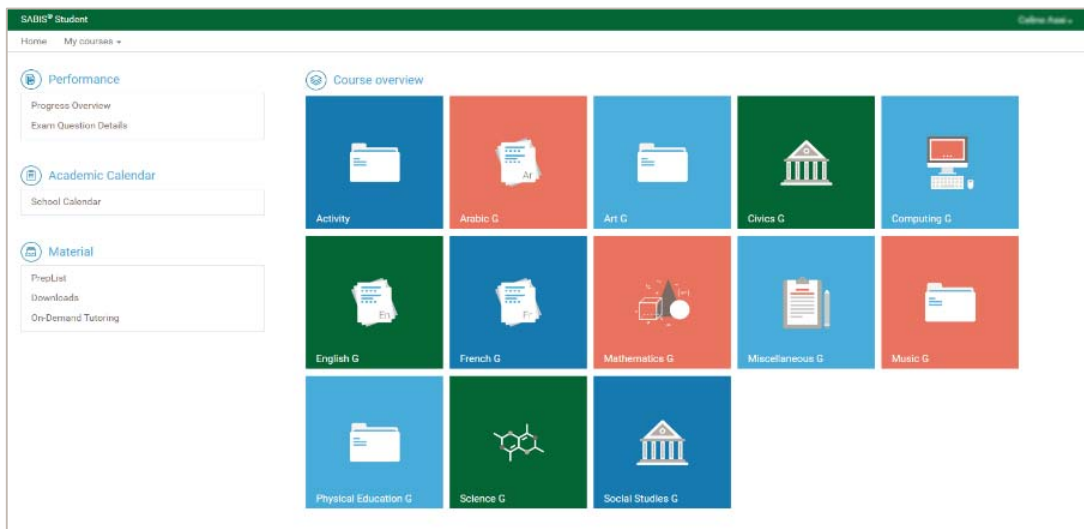

Sign up for SABIS® Digital Platform today!

DigitalPlatform.sabis.net

SABIS® Digital Platform offers students a rich learning environment that aims at supporting their educational experience and self-learning, and provides comprehensive information about their school life, where they can:

- Access a wide range of information
- Utilize interactive educational tools and receive personalized learning
- Secure learning gaps as course materials are delivered in a more enhanced way
- Download interactive practice material and access PrepList and On-Demand Tutoring
- Keep track of their courses and academic performance
- Benefit from collaborative student learning
- Refer to an enhanced schedule and school calendar
- Stay up-to-date with the latest school announcements and photos

If you are not a member, complete the Application Form below and return it to the school with your signature. After your application has been processed, you will receive an E-mail containing your login credentials. If you are already a member of **SABIS® Digital Platform** and have a username, go to DigitalPlatform.sabis.net to log in.

Download the mobile app today!

Available on Android, iOS, and Windows devices.
