

WHY YOOZ IS THE BEST AP AUTOMATION SOLUTION FOR SAGE INTACCT USERS

Yooz Sage Intacct Workflow Overview

Seamless Integration

Yooz seamlessly integrates with the Sage Intacct ERP, allowing you to streamline and automate your invoice and payment process.

Fresh Data

Data is pushed and updated to and from Intacct instantly for the most up-to-date data.

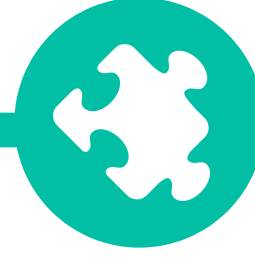

Image Push

Yooz is the only solution that pushes the image of the invoice to Sage Intacct.

PO Integration

Yooz connects with the purchasing module and pulls over the purchase orders or receivers.

And Even More

We push other document types, close a PO directly in Intacct, and update the invoice status to "paid".
