With great food, beautiful scenery and high-quality sailing on offer, a Balearic Island sailing vacation is about so much more than just partying. Just off the coast of Mallorca is the Cabrera Archipelago National Park, a group of protected islands that shelters some spectacular underwater meadows and offers some of the Mediterranean's best scuba diving. Be on the lookout for groupers, octopi, loggerhead turtles, and even dolphins who like to pay the meadows a visit.

Highlights of the Mallorca flotilla also include:

- Welcome sangria party
- Stunning sailing conditions
- Gothic cathedrals and cliffside calas
- Sandy anchorages and stern-to moorings
- A visit to some of the region's most beautiful landmarks such as the famous Dragon Caves and Cabrera National Park
- Final day paella party
