FOR IMMEDIATE RELEASE

Sunsail complements its charter fleet with Lagoon catamarans

CLEARWATER, FL – JANUARY 21, 2019. [Sunsail](#), a worldwide leader in the luxury charter industry, is delighted to welcome the award-winning Lagoon brand of catamarans to its charter fleet in 2019.

Lagoon is an industry leader in cruising catamarans built for a spacious life aboard. The addition of Lagoon to the Sunsail charter fleet is testament to Sunsail's ongoing commitment to provide outstanding yacht options for charter guests and owners alike.

The new [Sunsail 464](#) (Lagoon 46) and [Sunsail 424](#) (Lagoon 42) will be complementing the existing fleet of Robertson and Caine catamarans throughout the Caribbean. Currently in production, these models are expected to begin arriving at their designated bases for yacht charter vacations beginning in Winter of 2019. Guests can begin booking these yachts immediately and charter yacht ownership opportunities are also now available.

"It is exciting to welcome Lagoon to our charter fleet, alongside our extensive Leopard Catamarans range, expanding our product offering in response to growing market demand" stated Josie Tucci, VP of Sales and Marketing.

Yann Masselot, Managing Director with Lagoon, stated "Sunsail and Lagoon, a subsidiary of Beneteau Group, have a common history going back to 1997 when Sunsail ordered the first Lagoon 410. Our companies have common values of respect and service to our customers, but also passion for boats. It is these values that have always enabled our teams to appreciate each other and work easily together. This new fleet purchase continues our relationship and brings the most recent models from Lagoon to the Sunsail fleet. The Lagoon teams are thrilled to be working with the Sunsail team again."

The Sunsail 424 is a 4 cabin/4 head sailing catamaran with curvaceous lines, single level deck, spacious cabins and is fully outfitted with generator, air-conditioning and watermaker and will be located in the Bahamas, St. Lucia, Grenada, St Martin, the British Virgin Islands and Belize. The fully loaded Sunsail 464, also a 4 cabin/4 head configuration with skipper cabin, generator, A/C and watermaker, is a brand new design. Featuring a fly level sunpad, relaxing front cockpit seating and generous, bright interior, the Sunsail 464 will be available for charter in the British Virgin Islands.

To book your charter vacation, please contact the Sunsail Charter Sales Team at 800-734-8682 to speak with a Vacation Planning Specialist, or visit www.Sunsail.com. For information on purchasing one of these yachts please contact our Yacht Sales Team at 888-952-8603 or visit www.sunsailyachtownership.com
