

# SuitePad TV

For convenient in-room entertainment

## REPLACE OUTDATED REMOTES

The SuitePad Tablet has clear advantages. It's easy to clean, meaning happy housekeeping staff and better hygiene. You don't need to change the batteries – just place the tablet on the docking station to recharge.

## INCREASED VISIBILITY

With SuitePad TV, guests spend 2.3 times longer using the digital guest directory, meaning more engagement with your content and services.

## BRING YOUR OWN CONTENT (Optional)

SuitePad TV Plus offers a unique level of comfort. Your guest can connect their smartphone with the TV via Chromecast and stream their favorite content – from Netflix, YouTube, or other video platforms.

## SUITEPAD – THE MODERN REMOTE CONTROL

All hotel room TVs are compatible with SuitePad TV Control. Your guests can operate the TV as usual with the SuitePad Tablet, and even filter channels according to language or genre.

# Choose your SuitePad TV variation:

## SuitePad TV Control

The SuitePad Tablet functions as a remote control

- SuitePad TV Control is built in to every digital guest directory from SuitePad
- The infrared sensor connects the SuitePad tablet to the TV

### ADVANTAGES

- ✓ The SuitePad TV functions as a remote control without any additional hardware
- ✓ The TV is operated easily and intuitively

## SuitePad TV Plus

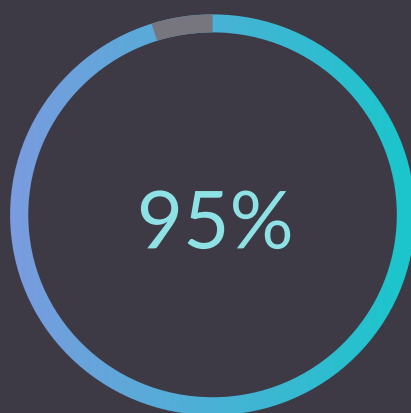

Convenient in-room entertainment

- One Chromecast for each TV, in combination with SuitePad TV Plus technology, facilitates Bring Your Own Content (BYOC)
- A SuiteProxy Server is installed in the hotel

### ADVANTAGES

- ✓ All the features of SuitePad TV Control
- ✓ BYOC
- ✓ Unique comfort for your guests

## SUITEPAD TV CONTROL

Compatible with 95% of all hotel TVs.

## DAILY USAGE OF SUITEPAD TABLETS
