

Help Documents for Right-To-Know (RTK) Website Users

The Right-To-Know (RTK) website provided by SafeTec has limited functionality. The following help files can help navigate the site. Please be aware that not all of these topics may be available on your website. Please contact your facility or corporate contact if you have more questions regarding the use of the website.

(M)SDS Search

- [Search for \(M\)SDS](#)
- [Search for Products by Manufacturer](#)
- [Search Facility \(M\)SDSs](#)

Labels

This option is not available to all customers. Please contact your facility or corporate contact if you do not have this feature and it is something that would be of use to you.

- [Print HMIS or NFPA Label](#)
- [View GHS information and Print Labels](#)

Other Useful Topics

- [Create a Desktop Shortcut](#)
- [SafeTec System Requirements](#)
- [Other Help Files for Admin Users](#)
