ALTERNATIVES

Why is OneFile the UK's leading eportfolio for learning and development?

Because...

We develop innovative features before anyone else...

We listen to our customers...

We offer excellent customer service...

We can integrate with any system...

AND we provide unlimited online free training to all our customers.

Still need convincing?

Let the battle of the eportfolio's commence!

WE LEAD THE PACK

We have an **in-house development team** who are innovative, proactive and dedicated. Other providers hire external developers who may take a long time to build features.

We innovate while others follow. In fact, we've released many features years before our competitors.

The OneFile offline app has **more innovative features than our competitors'** ... and we've created modified versions to suit learners and assessors.

**MOST
ADVANCED
IQA SUITE
ON THE MARKET**

Our integrated ILP automatically populates data captured within the eportfolio and can be customised by each centre.

WE'VE GOT YOUR BACK

Our technical support team has won awards for their excellent customer service.

We listen to our customers and take their feedback onboard to build bespoke solutions.

We offer free online training – some of our competitors charge for this.

All our data is backed-up to UK-based encrypted servers every 5 minutes - that's more frequently than any of our competitors.

OUR EPORTFOLIO HAS
99.6%
U P T I M E

WE KNOW THE ROPES

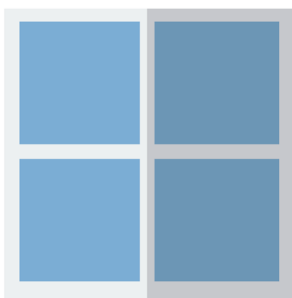

All our customers are assigned a dedicated account manager who has over 3 years' experience in the vocational training sector. Some of our competitors use traditional salesmen.

12

OneFile has **over 12 years' experience**, while our closest competitor has only 5.

Our eportfolio is **designed by former assessors** who are passionate about the education sector – rather than software developers who create a one-size-fits-all system.

WE'RE ALWAYS FAIR

We have a transparent pricing structure with no hidden costs. Our competitors have complex charges, long contracts and extra fees for training, hosting, management and much more.

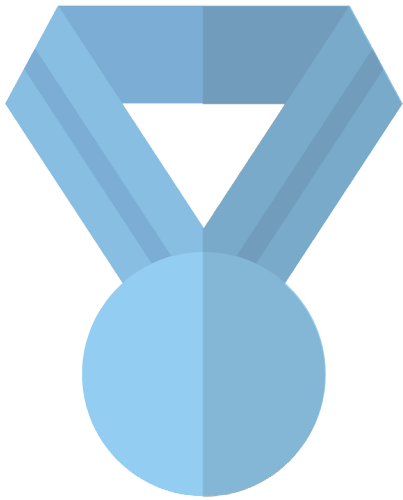

WE PROVIDE

FREE

QUALIFICATION UPDATES

while some providers charge extra based on the awarding body.

WE WIN THE CONTEST

MOST POPULAR

We're the UK's most popular eportfolio with colleges, training providers, employers & learners.

.....

We integrate with more software products than any other eportfolio, and have web services so centres can create their own integrations.

We have 22 official endorsements from major awarding bodies - that's more than any other provider.

.....

OneFile is the most used eportfolio in the vocational training sector, trusted by over 300 more training organisations than our closest competitor.

OneFile is the most loved eportfolio for learning and development.

Supporting over 300,000 users worldwide, our simple software supports the complete learning journey – from apprenticeships to professional progression – bring learning to life every step of the way. It's why we've been the UK's leading eportfolio provider for over a decade – and remain at the forefront of the industry today.
