GOFF BACKA ALFERA & COMPANY, LLC is a full-service public accounting and consulting firm serving clients locally, nationally and internationally. Our firm ranks among the top firms in the nation and has been voted by its employees as one of the top 25 places to work in the region. Our offices are located in Pittsburgh, PA and in Wheeling, WV.

We take pride in providing the highest quality of services to our clients and our memberships in the AICPA's Employee Benefit Plan Audit Quality Center, Center for Public Company Audit Firms and Governmental Audit Quality Center assist our professional staff in achieving this ultimate goal. Our professionals are active leaders and members of numerous professional, educational and community organizations.

Our specialized service groups, combined with our client relationship partner and manager structure, are designed to provide our clients with the highest value and technical expertise available without sacrificing the personalized service that is our trademark.

In addition to the personal attention our clients receive in identifying and planning for their diverse financial and business needs, we are committed to our employees. Through open communications, we emphasize career development and training and encourage our employees to perform consistently beyond expectations when serving clients.

Our involvement in the communities we serve is representative of our commitment to improve the quality of life and to promote business development and economic growth.

Auditor Position – Senior

General Responsibilities

The Auditor will have responsibility for working with engagement teams to provide audit, reviews and compilation services to the firm's clients who operate in a wide variety of industries.

Experience

A Bachelors degree in Accounting, CPA designation along with a minimum of 3-5 years audit experience required. Individual should have a well-rounded knowledge of accounting principles generally accepted in the United States and generally accepted auditing standards. Knowledge of Government Auditing Standards (GAS Yellow Book), Single audits under Uniform Guidance, and Employee Retirement Income Security Act (ERISA) is a plus but not specifically required.

Personal Profile

The Auditor will be an upbeat, motivated person, who has strong analytical skills. Strong computer, written and verbal skills required, CPA certification preferred but not required, minimal travel

Salary will be commensurate with knowledge and experience. Excellent fringe benefits and working conditions.
