

## Caregiver's Guide to Death and Dying - Hospice 101

**Jerry Soucy**  
RN, CHPN

**Original Air Date:** April 29, 2020

**Access the webinar recording here.**

Most people express the wish to make a “good end.” What can caregivers do to understand a loved one’s wishes, work with medical providers, know when to involve hospice, and how to get through it?

Presenter Jerry Soucy offers a sensitive look at caring for a person in the last stages of life, focusing on the services and supports hospice can provide to the dying individual and his or her family.

He generously shares his personal and professional experience. In this webinar you’ll learn:

- How to recognize when your loved one might benefit from hospice
- What services a hospice team provides
- How to help your loved one decide on goals for care and medical treatment

### About Our Presenter:

Jerry Soucy, RN, is a Certified Hospice and Palliative Care Nurse (CHPN). He is a member of the Hospice and Palliative Nurses Association (HPNA) and a trainer for the End of Life Nursing Education Consortium (ELNEC). He has expertise in end-of-life care as well as specialty intensive care and outpatient hemodialysis. Jerry also has related experience in health policy, community and professional education, and writing for health professionals and the public.

This webinar recently aired for Torchlight Elder benefit users and the general public. Some content is shared specifically for users.
