

Client Testimonials

“It helps with employee retention, to be able to provide these tools is we believe an additional attraction to those who may be considering TripAdvisor as an employer. Torchlight helps them be more productive here, which is a bottom-line benefit to our business.”

Beth Grous
Chief People Officer
TripAdvisor

“Torchlight has long been a trusted advisor for guiding our employees through the complexities of finding the right services and resources for their children. With Torchlight elder, we are able to provide valuable assistance to even more employees by supporting and enabling the care for their elderly loved ones.”

Lauri Tenney
Director, Benefits
EMC

“Torchlight came just in time to help my son who suffers from ADHD and was entering high school. Within weeks, the Torchlight service helped arrange for counseling and assistance for my son. He has seen a bunch of growth and lots of success.”

Nancy Burlingame
VP of Client Relations
Bright Horizons

“Innovative companies, such as Torchlight, are providing the solutions businesses need to support their employees in roles as caregivers, while helping minimize attrition, disengagement and the accelerating healthcare costs associated with aging.”
