About Harbour Rock

"Talent wins games, but teamwork and intelligence wins championships." – Michael Jordan

Harbour Rock offers a distinct alternative to maintaining a full-time Chief Financial Officer and the skills this role usually delivers.

Understanding your current financial position and your future options are the catalysts for action. Your advisors need to make the hard-to-understand be understood. Harbour Rock's personable and pragmatic team becomes your team – listening, learning, advising, and acting.

In short, partnering with us will leave you feeling balanced, in control, and reassured. We've got you covered.

Bookkeeping Support | Part-time Bookkeeping

Do you need bookkeeping support or a part-time bookkeeper?

Is your current bookkeeper unable to keep up with your growing business or is it finally time to get help getting the books done, the invoices out, and the bills paid? We understand that accounting is something you have to do, not something you like to do or that adds value to your business.

Learn which reports you need to run your business profitably.

Our commitment to your success includes bookkeeping support services. We know the lack of full-time back-office support staff puts the burden of paperwork, reporting, and other administrative tasks on your shoulders as the manager or owner, turning your work days into late nights.

The team at Harbour Rock takes that burden of accounting and billing tasks, and because we're more than just bookkeepers, you can count on getting the right advice about critical financial decisions to propel your business forward.

Would you like to talk to us further about bookkeeping support? Please fill out the form on this page to connect with us - we're here to help!
