

# Reimagine Monolithic with MiYO® WEBINAR

all the hype  
ABOUT miYO®

## You may have heard of MiYO, but what's all the hype about?

Attend this 45 minute, exclusive webinar and learn about the game-changing, proven system that makes it possible to achieve highly esthetic monolithic restorations faster and with greater control than ever before, while reducing remakes and increasing profits for dental labs worldwide.

### You will learn:

- How to create the depth, vitality and texture found in natural enamel, in unprecedented thicknesses of 0.1mm-0.2mm
- The ideology behind MiYO -- why it was developed & what problems it can fix
  - How to differentiate and separate yourself from the pack
- How to make your monolithic restorations go from good to great in minutes

Presented by James Choi and Don Cornell
