## FROM THE PRINCIPAL . . .

### Resist Satan and his Schemes

Since Adam & Eve lived in the Garden of Eden, mankind has struggled with resisting temptation. The effects of this struggle are illustrated in Scripture and witnessed throughout history. Satan has been a very real and powerful presence in this world. Through the enticement of earthly pursuits and pleasures, Satan has continually attempted to lure individuals away from Christ. Through our theme this year, we recognize that we don't simply "Stand Firm" against the world, but we must also "Stand Firm" against our own flesh and the temptations we face. The internal pressures are often greater than the external challenges.

The Book of James, shares the scheming process used by Satan to prey upon everyone's unique temptations. *When tempted, no one should say, "God is tempting me." For God cannot be tempted by evil, nor does he tempt anyone; but each one is dragged away and enticed. Then, after desire has conceived, it gives birth to sin, and sin, when it is full-grown, gives birth to death. (James 1:13-15)*

Essentially, the temptations that we face are based on our own desires. When enticed by those desires, we can allow it to blossom into sinful behaviors. Ultimately, that sin results in death.

We must stand firm and resist the schemes of Satan. *Submit yourselves, then to God. Resist the devil, and he will flee from you. Come near to God and he will come near to you. (James 4:7-8)* As we engage in the Word of God, He is able to help us resist the work of the evil one.

Martin Luther, wrote a famous hymn that became an anthem for the Reformation, but ultimately speaks about our battle against the temptations of this world. In verse three of *A Mighty Fortress is Our God*, Luther uses these words to speak of our challenge, but also the victory that Christ has won on the cross over evil. By His death, Jesus has ensured that we don't face the consequence of death for our sin. May we be confident in our Savior who has overcome evil and helps us to Stand Firm and resist the schemes of Satan. *Though devils all the world should fill, All eager to devour us.*

*We tremble not, we fear no ill, They shall not overpower us.*

*This world's prince may still. Scowl fierce as he will,*

*He can harm us none, He's judged; the deed is done; One little world can fell him.*

### Some Physics Students float their ideas in the MLHS pool...

97 Physics students at Milwaukee Lutheran, under the direction of instructor Mr. Eric Pankow, made 29 building teams to compete in the 12th annual MLHS Cardboard Boat Contest. Hundreds of parents and friends showed up on Wednesday, November 8th to watch the students put their knowledge and bodies into the study of Archimedes Principle. The boats were made of cardboard, with duct tape allowed to support the seams or to decorate the boats. The students put their understanding of Archimedes' Principle to the test by getting into the boats they designed and paddling them across the Milwaukee Lutheran pool. Extra credit was given if more than one person got into the boat or if they "dressed up" with a theme. Of the 29 boats, 16 made it across the pool without sinking. The winning boat this year was the 1 person boat made by Juniors Tim Steinke and Xavier Fisher, paddled by Tim. Their cardboard Kayak themed "Formula One" set a new school and single paddler record of 13.6 seconds. Other Thematic boats included Sponge Bob, Star Wars, Moana, Mean Girls, Mario Kart, Pirates, Planet of the Apes, Mickey and Minnie Mouse, and many more. Special thanks to Mr. and Mrs. Koebert, Miss Bolz, Mr. Saugstad, Miss. Siebarth, and Miss Pfenning, the Maintenance Department, and the Administration for supporting this exciting use of our learning! If you want to watch the races, they are posted on You Tube under "2017 Milwaukee Lutheran Cardboard Boat Race" (the school record is set in the 3<sup>rd</sup> race).
