*"At Mekong Capital, our bold commitment to our investee companies is that we cause them to achieve results far larger than they could achieve on their own. Our long-term partnership with Vanto is a key enabler for us in this journey to dramatically and quickly elevate the performance of our investees companies immediately after we become a shareholder. With Vanto's unique coaching framework, our investees dare to declare and commit to outrageously challenging targets for their business. Even more importantly, those companies that actively embrace and deploy Vanto's framework actually achieve those very same targets that first occurred to all as outrageous."*

**Chad Ovel**  
**Partner, Mekong Capital, Vietnam**

*"Vanto Group's program is unlike any other leadership development program I have encountered during my long career as a Human Resources professional. Using the Three Laws of Performance as a framework, we were able to access truly new ways of perceiving problems and being leaders."*

**Chris Peck**  
**Vice President of HR, UPS**

*"Out of working with Vanto Group, I expanded my leadership and our team united. Rather than being focused on our own functions and agendas, everyone is now at work fulfilling our organization's future and goals."*
