

I am writing to tell you what I am going to do in the coming year, 2018.

Well in the coming year I would like to travel to Greece because I have family there and I want to see them and also because Greece is a wonderful place that has one of the most beautiful beaches in the world.

I love doing badminton which is my actual sport, so I want to continue doing it

I would like to continue learning English in International House, but also I want to learn Chinese because I love learning new languages and Chinese is a very interesting one.

Otherwise my principal reason for learning English is because next year my sister is going to Ireland so I want to be as smart as her and in a future go as well to Ireland.

So... That is all I want to do next year, thanks you for your time reading this.

I am looking forward to hear from you,

Merry Christmas & Happy New Year
