

PHARMACIST'S LETTER:

ADVICE ON THE LATEST MED THERAPY PRACTICE-CHANGING TRENDS TO KEEP YOU INFORMED AND SAVE YOU TIME IN YOUR COMMUNITY PHARMACY

10 TOOLS YOU CAN USE AT PHARMACIST'S LETTER

The latest issue of *Pharmacist's Letter* is published online the first week of every month. Keep up with emerging changes and get practical, concise, patient-care focused recommendations for daily use in the community pharmacy setting. Check out these helpful resources:

- 1. Discover 10+ NEW articles in each issue.**
Get immediately useful advice on the latest medication findings in 30 lines or less. 100% evidence-based.
- 2. Review the newest charts.**
Check out new and updated FAQs, checklists, and more. Print-friendly! Go to Browse > Charts.
- 3. Share with friends and colleagues right from the web or app.**
Post the latest news to your social networks or email to colleagues in one click. Look for the colorful icons.
- 4. Save your favorites.**
Click the  on any resource to save it to your favorites for quick access in the future. Access all your favorites at [Your Name] > Favorites, or look for the Favorites box on your homepage.
- 5. Take the monthly med CE quiz.**
Read the issue, pass a short quiz, and get 1 hour of CE credit! Find a link in the Table of Contents.
- 6. Suggest a topic.**
What questions do you need answered? If they're not already answered in *Pharmacist's Letter*, let the editors know you'd like to see an article covering the topic. Go to Letter > Suggest a Topic.
- 7. Connect with colleagues.**
Use the online forum to get feedback from your peers and see what's happening in their practices. Go to Forum on the top navigation menu.
- 8. Access the archive.**
Read previous issues in full (Letter > Past Issues) or use the Search box to look up past articles on a specific topic.
- 9. Watch a webinar.**
Get CE/CME credit when you listen to the experts discuss timely topics and current findings. On the homepage, look for Webinars. (Tip: Look for Super Saturday catch-up opportunities!)
- 10. Get a toolbox.**
Find all the resources for specific topics (like Medication Adherence Strategies) in one handy toolbox, including articles, charts, patient handouts, and more. Look for Popular Practice Toolboxes on the homepage.
