

# OneNeck Connect - Eden Prairie

Delivering high-speed data center and cloud access for a fixed rate

Setting up a data center or private cloud is only part of the solution. You also need to have a secure, robust connection between the data center or private cloud that you can rely on, at a predictable price; enter OneNeck Connect from OneNeck® IT Solutions

## A Better, Dedicated Circuit

OneNeck Connect allows customers to connect directly to our Eden Prairie data center facility utilizing a 1 Gbps broadband pipe, enabling secure, robust connectivity to OneNeck's colocation and hosted private cloud services.

The service supports customers who are on-net with Zayo or Comcast to provide a direct link to our OneNeck Eden Prairie data center. On-net requires that the customer already have Zayo or Comcast carrier equipment on site at their location that is capable of delivering 1 Gbps.

## Cost-Effective and Predictable

Offering a flat rate of \$995 per month is the best deal you'll find for high-speed data center access. It's an easy way for you to budget your data center and cloud solutions. And, if bundled with our colocation, managed services or cloud solutions, it's free.\*
