

# ROSALIND Acceptable Use Policy

## OnRamp BioInformatics, Inc.

Last Modified: June 18, 2019

This ROSALIND Acceptable Use Policy ("AUP") applies to the use of any product or service provided by OnRamp BioInformatics, Inc. (OnRamp), whether we provide it directly or use another party to provide it to you (each, a "ROSALIND"). This AUP is designed to ensure compliance with the laws and regulations that apply to ROSALIND. This AUP also protects the interests of all of our clients and their customers, as well as our goodwill and reputation. These terms are so important that we cannot provide ROSALIND unless you agree to them. We will enforce and ensure compliance with this AUP by using methods we consider to be appropriate. We may also suspend or terminate your use of ROSALIND pursuant to our ROSALIND Terms of Service (available at <https://www.onramp.bio/terms-of-service>) for violations of this AUP.

We periodically update these terms and we will let you know when we do through ROSALIND, or by posting a revised copy on our website. You agree to review the AUP on a regular basis and always remain in compliance.

If you are using any ROSALIND, this AUP applies to you. By using ROSALIND, you are agreeing to these terms, to abide by this AUP and are responsible for any violations. You are not allowed to assist or engage others in a way that would violate this AUP, including but not limited to the following:

1. Transmitting any content that infringes the intellectual property rights or other rights of third parties, including but not limited to trademarks, copyrights or rights of publicity or otherwise violating, infringing or misappropriating the rights of any third party.
2. Transmitting any material that contains viruses, trojan horses, worms or any other malicious, harmful, or deleterious programs or code.
3. Engaging in activities or transmitting through ROSALIND any content or information that is hateful or racist, libelous or defamatory, or otherwise malicious or harmful to any person or entity, or discriminatory based on race, sex, religion, nationality, disability, sexual orientation or age, or that depicts violence, is obscene, abusive, fraudulent or threatening.
4. Integrating any app that exploits images or the likeness of minors.
5. Adversely impacting the availability, reliability or stability of ROSALIND.
6. Launching or facilitating, whether intentionally or unintentionally, a denial of service attack on ROSALIND or on any third party.
7. Attempting to bypass or break any security mechanism on any of ROSALIND or using ROSALIND in any other manner that poses a security or service risk to OnRamp or to any user of ROSALIND.
8. Testing or reverse-engineering ROSALIND in order to find limitations or vulnerabilities.

9. Using ROSALIND in any manner that may subject OnRamp or any third party to liability, damages or danger.
10. Using ROSALIND in any manner that violates any applicable third-party policies or requirements that OnRamp has communicated to you.
11. Using ROSALIND to engage in or in connection with fraudulent activity.
12. Promoting or engaging in illegal activities.
13. Harvesting or otherwise collecting information about others without their express consent.
14. Interfering with or disrupting networks connected to ROSALIND or violating the regulations, policies or procedures of such networks.
15. Violating or facilitating the violation of any local, state, federal, or foreign law or regulation, including laws and regulations.
16. Registering with ROSALIND with an email of a throw-away email address provider.
17. Creating a ROSALIND account for the purpose of competitive evaluation, research or for the purpose of copying or producing a competing service.
18. Revealing your account password to others or allowing use of your account by others.
19. Failing to make a reasonable effort to protect your passwords and to secure resources against unauthorized use or access.

This list of prohibited uses is provided by way of example and should not be considered exhaustive. All determinations related to violations of this Acceptable Use Policy will be made by OnRamp in its sole discretion.
