

CYBERSECURITY WITH THE FBI

Tips and recommendations from IE's Security User Group
with guests from the Raleigh FBI Cyber Squad

COMMON ADVERSARY GROUPS SEEN

- Hacktivism
- Crime
- Insiders
- Espionage
- Terrorism
- Warfare

COMMON TRENDS

- Third party personal email targeting
- Foreign hosting providers are creating more opportunities for hackers

PROACTIVE ACTIONS TO TAKE

- Conduct cybersecurity training and table top exercises
- Ensure logging is in place
- Get to know your legal counsel before an event takes place
- Have a dedicated security person as a point of contact (POC)
- Join your local Infraguard chapter (www.infragard.org)

WHAT SHOULD RANSOMWARE VICTIMS DO?

- File a report through Internet Crime Complaint Center (IC3) at www.ic3.gov
- Contact local FBI field office
- Check NoMoreRansomware site at www.nomoreransomware.org
