Hey Finance!

CiscoWebex

Quarter end without chaos.

We know when quarter end is coming, just by the increase in questions we get. "What's the policy here?" "Did the regulations change?" In crunch time, my team needs to connect faster. It's crucial I have the right information in the right place.

Connect your team. Download the Cisco Webex Teams app. Create spaces so your team can communicate quickly. Eliminate separate email streams. Connect everyone.

Download Cisco Webex Teams | Create a team Create spaces

Keep a record. Share documents in your team spaces. When refreshing your financial records, quickly see last quarter's data to ensure accuracy. Easily access your team's standard processes.

Share files

Ask the experts. Make spaces for different topics. People will know where to go to get specific questions answered about compliance, policy, or process.

Send a message

Connect across functions. Easily add members from other teams to your spaces. @Mention key players who can answer your regulatory questions. Include external business partners who can help.

@mention a person | Add external participants

Plan your meeting. With one button, see the calendars of everyone in your space. Look at past messages to see what matters are pressing. Your team's top concerns are close by when you meet. Set time to discuss the tough topics, or call on the fly.

Schedule a meeting | Call your teammate

Keep the ball rolling. Communicate in a continuous stream across time zones. Eliminate formality when you need a quick question answered, and respond easily from mobile 24/7.

"In crunch time, I need to connect faster."

-Finance

 \checkmark Push through the chaos.

✓ Attack critical issues with better communication.
