“We want to make sure we’ve got enough supply to keep up with the demand. StreetShares has been a great partner. We’ve taken out four lines of credit so far and look forward to working with them more.”

- Zachary Green, Marine Corps Veteran and Founder/CEO of MN8 Foxfire

GET BUSINESS FUNDING

StreetShares is America’s social finance solution for the military community, providing small business loans, lines of credit and government contract financing. Funding is backed by military community supporters who invest in businesses they believe in.
