ResellerRatings Shoppable Reel

Leverage real customer
images to drive discovery

Customizable carousels and galleries
highlight customer-shared images so
shoppers can discover your best products
anywhere in their digital journey.

Improve Metrics that matter

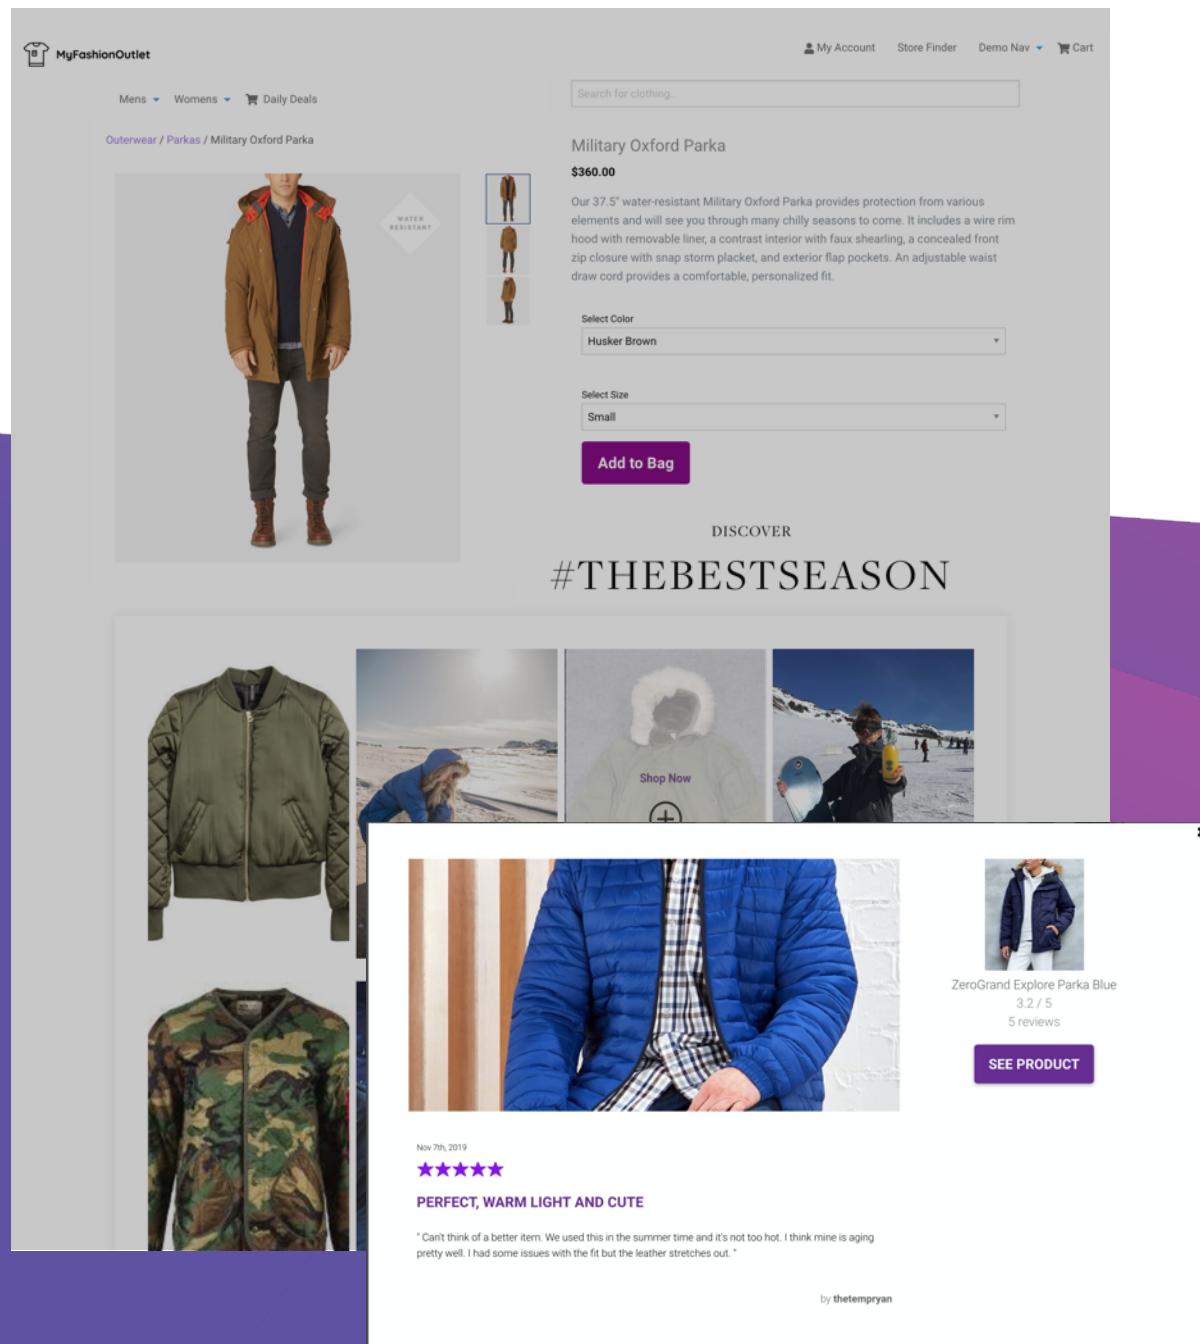

An illustration in the top right corner featuring a target with concentric red and blue rings. A white arrow with a red outline is shown hitting the center bullseye. Above the target, there are three blue line-art icons of people. To the right of the target, there are several blue and orange diagonal lines radiating outwards, suggesting impact or success.

7_x

Companies that create custom visual content have a 7x higher conversion rate.

86%

86% of millennials say that UGC is a good indicator of the quality of a brand.

Put your potential customers into the shoes of your best customers

Lifestyle content becomes accessible from desktop and mobile with galleries that move beautifully across your website whether customers browse your store on an iPhone or computer.
