**PURPOSE BUILT PRECISION**

**BOOSTS PRODUCTIVITY AT EVERY TURN**

You get the right machine for the job at hand. Plus hands-on service and support for the life of your machine from the experts behind it. That means more up-time and peace of mind than ever.

**PURPOSE BUILT PRECISION.  
PURPOSE DRIVEN PEOPLE.**

Purpose Built Precision goes far beyond providing the right solution. It's about doing the right thing for our customers each and every day. That's why our company has been as durable as our machines.

It began with our founders Frank and Johanna Elsner more than 80 years ago. They started with little, and created huge success for their company, their customers and their community. Today, Elsner has more than 3,000 machines operating in over 60 countries. But our true measure of success is always your satisfaction.

Our promise to our customers is simple. We are always on the job for you. We will do whatever it takes to make your investment in our machines exceed your expectations. And we will treat your company and every individual who serves you with the honesty, integrity and respect that they deserve.

Purpose built machines. Purpose driven people.  
**WELCOME TO ELSNER.**
