#### Starting new employment

If you're not already a KiwiSaver member, you will be automatically enrolled and your employer will begin making KiwiSaver deductions from your first payment of salary or wages. However, you can opt out at any time on or after day 14 and on or before day 56 of starting new employment - see your KiwiSaver information pack for details.

### Existing employees who want to become KiwiSaver members

You can enrol in KiwiSaver by completing this form and giving it to your employer. Your employer will determine if you are eligible and then send your information to Inland Revenue and start making KiwiSaver deductions for you.

**Note:** If you opt in, you cannot opt out. We suggest you get financial advice before deciding to opt into KiwiSaver.

#### Existing KiwiSaver member

If you are already a member, your employer will begin making KiwiSaver deductions for you unless you show them a contributions holiday notice - you'll find more information in your KiwiSaver information pack or go to www.kiwisaver.govt.nz or call us on 0800 549 472.

#### **Contribution rate**

KiwiSaver contributions will be deducted from each payment of your salary or wages. You may choose a contribution rate of 3%, 4% or 8% of your before-tax payment. If you don't choose a rate, the default rate of 3% applies. If you want to contribute more you can make voluntary contributions directly to your scheme provider or to Inland Revenue.

If you want to change your contribution rate, complete sections B and C of this form and give it to your employer.

Your employer may also choose to contribute on your behalf. They may attach conditions to this arrangement and you may want to talk to your employer or your employee representative before entering an agreement.

If your employer does contribute on your behalf, you have some flexibility about how this affects your contribution rate - you'll find more information in your KiwiSaver information pack or go to **www.kiwisaver.govt.nz** or call us on 0800 549 472.
