

# Anatomy of EasyTech PreTests

Below is an example of a student question of a 4<sup>th</sup> grade Pretest.

The screenshot shows a digital pretest interface with the following components and annotations:

- Question Number:** A blue header bar at the top contains the number "5" in a white circle, with an arrow pointing to it from the "Question Number" label.
- Question Text:** The text "Which command would you use to make a copy of text or pictures?" is displayed in the header bar, with an arrow pointing to it from the "Question Text" label.
- Exit X:** A small "X" icon in the top right corner of the header bar, with an arrow pointing to it from the "Exit X" label.
- Audio:** A small speaker icon to the right of the question text, with an arrow pointing to it from the "Audio" label.
- Directions Tab:** A green checkmark icon in a blue box on the left side of the question area, with an arrow pointing to it from the "Directions Tab" label.
- Back Arrow:** A green left-pointing arrow on the left side of the question area, with an arrow pointing to it from the "Back Arrow" label.
- Next Arrow:** A green right-pointing arrow on the right side of the question area, with an arrow pointing to it from the "Next Arrow" label.
- Selected Answer:** A red rectangular border around the answer choice "D" (a document icon), with an arrow pointing to it from the "Selected Answer" label.
- Answered Question:** A label pointing to the question area, indicating that the question has been answered.
- Unanswered Question:** A label pointing to the question area, indicating that the question has not been answered.
- Question Buttons:** A row of 12 numbered buttons (1-12) and a "CHECK" button at the bottom, with an arrow pointing to the "CHECK" button from the "Question Buttons" label.
- Check Button:** A label pointing to the "CHECK" button at the bottom right of the interface.

Once students click the Check Button, a page like the one below will appear, so students can see how well they performed on the pretest.

The screenshot shows a Learning.com interface for a quiz question. The question is "Which Columns dialog box will create 3 columns?". There are four options, A, B, C, and D, each showing a "Columns" dialog box with "Number of columns" and "Space between" fields. Option B is highlighted in red, indicating it is the correct answer. Option C is highlighted in green, indicating it is an incorrect answer. The progress indicator at the bottom shows 12 questions, with question 3 marked as correct and question 12 as incorrect. An "EXIT" button is also visible.

Learning.com 12

Which Columns dialog box will create 3 columns?

A Columns  
Number of columns: 2  
Space between: 3  
ok cancel

B Columns  
Number of columns: 2  
Space between: 0.75  
ok cancel

C Columns  
Number of columns: 1  
Space between: 2  
ok cancel

D Columns  
Number of columns: 3  
Space between: 1  
ok cancel

Correct Answers

Incorrect Answers

1 2 3 4 5 6 7 8 9 10 11 12 EXIT

Exit button

Once the student clicks Exit, EasyTech curriculum will be automatically assigned based on student performance on the PreTest. Below is a of the student dashboard.

The screenshot shows a 'Class Activity' window with a 'New Assignments' section listing 'Let's Be Safe Online Pre-test' and a 'New Grades' section showing 'Let's Be Safe Online Pre-test: Incomplete'. Below this is an 'Assignments' section with a checkbox for 'Include completed Class Assignments'. The main assignment card for 'Let's Be Safe Online Pre-test' (Assignment 1 of 1) shows a green checkmark, a submission time of 1:42 PM on Jul 11, 2017, and a 'Checked' status box. Below the assignment card, a list of recommended lessons is shown: '1. Creating and Organizing Content', '2. Page Layout', and '3. Revising and Formatting'. Three orange callout boxes provide additional context: one points to the lesson list with the text 'Students click the assigned lessons here to begin.', another points to the 'Checked' box with the text 'Checked Box', and a third points to the lesson list with the text 'Once the student clicks Exit, EasyTech curriculum will be automatically assigned based on student performance on the Pretest.'

**Note: A green check mark indicates a passing score. A red circle indicates a non-passing score on the Pretest. Assigned lessons must be passed with 80% or higher score, no matter what the minimum score is set at in the class settings.**
