EMPLOYEE SUPPORT

Unum Cancer Support Service

Unum partners with HSC, a provider of personalised cancer support, to provide our Cancer Support Service.

When someone is first diagnosed with cancer it can be very confusing and overwhelming. HSC can help employees understand their situation so that they can make a decision that is best suited to them.

HSC support services include:

- Dedicated HSC case managers
- Personal cancer care reviews
- Second opinions
- Regular contact
- Consultation support
- Ongoing personal cancer care support
- Symptom management support
- State benefit and grant information
- Psychological support
- Medical concierge
- Broadening your options (including determining eligibility for early access drug programmes and clinical trials)
- Access to cancer experts
- Additional HSC support services (such as counselling or a plastic surgeon review)
- Signposting to support groups
- Post treatment support

 for further details

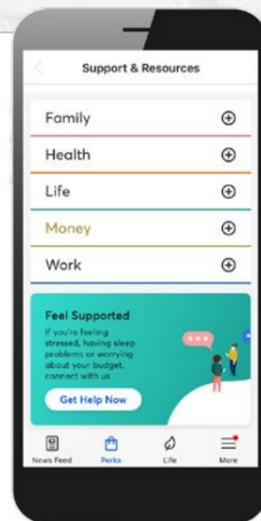

In 2015 there were an estimated **890,000** people of working age living with cancer in the UK¹

Unum LifeWorks

Providing comprehensive, 24/7 support for employees.

Our Employee Assistance Programme is designed to give information and practical advice on issues such as work, family, relationships, money and health.

The service is provided by LifeWorks and is available via the web, freephone and a downloadable mobile app.

Maggie's cancer charity

Unum's partnership with Maggie's cancer charity offers free practical, emotional and social support for those with cancer as well as their family and friends.
