

UP YOUR BIDDING GAME

iSqFt ACADEMY
DALLAS, TEXAS | DECEMBER 10, 2019

7:00 – 7:45 am

BREAKFAST

7:45 – 8:55 am

OPENING KEYNOTE | The Future Is Now: Technologies That Are Transforming and Disrupting Our Industry

The day kicks off with a discussion of the latest technology tools, innovations and trends impacting Chicago's construction projects. Learn how technology is influencing workflows and improving job site safety, productivity and reducing costs for contractors.

Presenters: James Benham of the ConTechCrew, Jeff Sample of eSUB, Rob McKinney of Rhumbix, and Josh Bone of CAISSON

9:05 – 9:55 am

SESSION 1 | The Finer Points of Managing Projects

iSqFt is designed to streamline the creation and management of projects. Learn best practices and see how under-utilized features can transform your process.

10:10 – 11:00 am

SESSION 2 | Building a Better Subcontractor Database

Work your tools — don't let them work you! Discover proven workflows that will make your vendor and subcontractor data work for you and ensure you're getting the right invites to the right people.

11:00 am – Noon

LUNCH

12:00 – 12:50 pm

SESSION 3 | No More Bid Day Chaos: Setting Yourself Up for Success

A successful bid day requires you have visibility into your bid coverage and gaps, know your interested subcontractors, and a place to store and manage your incoming data. See how the powerful Bid Management tab can do all these things and more.

1:05 – 1:55 pm

SESSION 4 | Make the Little Things Matter

From building your brand to customizing your account to fit your process, we'll share tips and tricks that will help you make the most of all iSqFt has to offer.

2:10 – 3:00 pm

SESSION 5 | Leverage integrations to Boost your Bid Management

See how the suite of iSqFt products and partner integrations connect to make this the one place to do everything before you build.

3:00 – 4:15 pm

NETWORKING HAPPY HOUR + HANDS-ON TECH DEMOS

Light drinks and food, Q&A with the ConTechCrew, hands-on tech demos and prizes (must be present to win) in the ConTech Showcase.

Take advantage of breaks and time throughout the day to get expert advice on how your company uses iSqFt or visit the ConTech Showcase to see the newest technologies transforming construction.
