

Beyond Screen and Refer:

What SDOH Care Teams Serving Immigrants Need to Know Today

Wednesday, November 7, 2018 | 8:30 AM – 4:30 PM | Boston Convention and Exhibition Center

AGENDA

Location for Morning Events: Room 102 A/B

8:30-9:30am **Registration and Continental Breakfast, Networking for Upstreamists!**

9:30-9:40am **Welcome** **Samantha Morton - CEO, MLPB**

9:40-11:00am **Plenary Panel A**

Immigration Status as a Social Determinant of Health	
Learning Objectives	<ol style="list-style-type: none"> 1. Understand key federal laws and policies impacting immigrant access to healthcare and to health-promoting benefits and services 2. Learn about what is known about the impact of current federal laws and policies on the health of immigrants 3. Identify current levers available to the health and human service workforces to promote health among immigrant households in the current policy landscape
Moderator	<p>Pablo Buitron de la Vega, MD, MSc – <i>Primary Care Provider, Boston Medical Center</i> <i>Associate Program Director, Boston University School of Medicine Preventative Medicine Residency</i> <i>Assistant Professor of Medicine, Boston University School of Medicine</i></p>
Panelists	<ul style="list-style-type: none"> • Khanh Dinh, PhD – <i>Professor of Psychology, University of Massachusetts Lowell</i> • Kara Hurvitz, JD, MSW – <i>Program Manager, MLPB</i> • Halim Moris, Esq. – <i>Attorney, Moris & O’Shea, LLC</i> • Leah Zallman, MD, MPH – <i>Assistant Professor of Medicine, Harvard Medical School</i> <i>Director of Research, Institute for Community Health; Internist, Cambridge Health Alliance</i>

11:00-11:10am **Transition**

11:10-12:30pm **Beyond Screen + Refer Training Sessions 1a & 1b**

Session 1a <i>Location: Room 101</i>	Session 1b <i>Location: Room 103</i>
<p>Immigration Status and Implications for Housing, Food & Transportation Security</p> <p>Learning Objectives:</p> <ol style="list-style-type: none"> 1. List federal and state (MA and RI) supports that are available to people regardless of immigration status. 2. Recognize key barriers to accessing those supports, such as challenges faced by mixed status households and proposed changes to federal public charge policy. 3. Learn strategies available in MA, RI, and nationally to better connect immigrant households to desired benefits, services, and legal protections. 4. Develop strategies to manage expectations appropriately when no responsive legal rights or remedies are available. <p>Co-Trainers:</p> <ul style="list-style-type: none"> • Jeannine Casselman, JD, MA – <i>Program Manager, MLPB</i> 	<p>Strengths-Based SDOH Screening: Exhibiting Structural Competence when Communicating with Marginalized Populations</p> <p>Learning Objectives:</p> <ol style="list-style-type: none"> 1. Understand what “structural competence” is. 2. Recognize the relationship between structural competence and effective SDOH problem-solving partnering with individuals and families. 3. Learn strategies to promote effective communication with people who are navigating the U.S. immigration system. 4. Recognize possible unintended consequences of SDOH screening and how to minimize them. <p>Co-Trainers:</p> <ul style="list-style-type: none"> • Elizabeth Bogus, LCSW – <i>Clinical Social Worker, Hasbro Children’s Hospital</i> • JoHanna Flacks, JD – <i>Legal Director, MLPB</i>

<ul style="list-style-type: none"> • Dan Hyman, JD – Program Manager, MLPB • Carinel LeGrand, MPA – Connect for Health Program Coordinator, Lifespan Community Health Institute 	<ul style="list-style-type: none"> • Baraka Floyd, MD, MSc – Clinical Assistant Professor Stanford University Medical School Co-Medical Director, Peninsula Family Advocacy Program • Renée Cammarata Hamilton, MSW, MPA Director, Health Improvement Team Dept. of Comm. Health Impr., Cambridge Health Alliance Clinical Instructor, Tufts University School of Medicine

12:30-1:15pm **Lunch and Networking for Upstreamists!**

1:15-2:35pm *Beyond Screen + Refer* **Training Sessions 2a & 2b**

Session 2a Location: Room 101	Session 2b Location: Room 103
<p style="text-align: center;">Interpersonal Violence & Implications for Immigration Status</p> <p>Learning Objectives:</p> <ol style="list-style-type: none"> 1. List pathways to immigration status linked to having survived interpersonal violence. 2. Recognize key barriers to pursuing those pathways. 3. Learn strategies available in MA, RI, and nationally to better connect eligible survivors to these pathways. 4. Develop strategies to manage expectations appropriately when no responsive legal rights or remedies are available. <p>Co-Trainers:</p> <ul style="list-style-type: none"> • Jeannine Casselman, JD, MA – Program Manager, MLPB • Dan Hyman, JD – Program Manager, MLPB • Gloria Greenfield – Director of Immigration Advocacy, Sojourner House 	<p style="text-align: center;">Strengths-Based SDOH Screening: Exhibiting Structural Competence when Communicating with Marginalized Populations</p> <p>Learning Objectives:</p> <ol style="list-style-type: none"> 1. Understand what “structural competence” is. 2. Recognize the relationship between structural competence and effective SDOH problem-solving partnering with individuals and families. 3. Learn strategies to promote effective communication with people who are navigating the U.S. immigration system. 4. Recognize possible unintended consequences of SDOH screening and how to minimize them. <p>Co-Trainers:</p> <ul style="list-style-type: none"> • Elizabeth Bogus, LCSW – Clinical Social Worker, Hasbro Children’s Hospital • JoHanna Flacks, JD – Legal Director, MLPB • Baraka Floyd, MD, MSc – Clinical Assistant Professor Stanford University Medical School Co-Medical Director, Peninsula Family Advocacy Program • Renée Cammarata Hamilton, MSW, MPA Director, Health Improvement Team Dept. of Comm. Health Impr. at Cambridge Health Alliance Clinical Instructor, Tufts University School of Medicine

2:35-2:55pm Transition and Refreshments

2:55-4:15pm **Plenary Panel B** – Location: Room 102 A/B

With Screening Comes Responsibility: Complex Immigration Considerations in Organizational SDOH Documentation Protocols	
Learning Objectives	<ol style="list-style-type: none"> 1. Understand the current, young landscape of cross-sector approaches to organizational SDOH documentation protocols that account for avoidance/mitigation of harm to patients. 2. Recognize human-centered risks associated with organizational SDOH documentation protocols. 3. Identify risks to people and to organizations related to immigration-related documentation in particular. 4. Learn about one organization’s innovative approach to immigration-related documentation protocols.
Moderator	Elizabeth Tobin-Tyler, JD, MA – Asst. Prof. of Family Medicine, Alpert Medical School and of Health Services, Policy and Practice, Brown University School of Public Health
Panelists	<ul style="list-style-type: none"> • Marissa Daley, MPA – Program Specialist, The Children’s Trust • Kara Hurvitz, JD, MSW – Program Manager, MLPB • Julian Rodriguez-Drix, MPH candidate – Asthma Program Manager, Rhode Island Dept. of Health • Ellen Weinstein, JD – Deputy General Counsel, Boston Medical Center

4:15-4:30 pm **Evaluations and Networking**
