

## Celebrating Our FY18 *Pro Bono* Case Corps

This roster recognizes with deep appreciation the legal advocates who said “yes” to at least one patient-client’s case, and took on a *pro bono* representation, mentoring or supervisory role in the matter(s) from 7/1/17 - 6/30/18. Your volunteerism is the backbone of our downstream safe hand-offs to legal specialists. This allows us to make a difference for people with acute health-harming legal needs, while our team works upstream to build advocacy capacity across sectors and to inform health-promoting public policies. **Thank you for advancing health through justice with us during this last year!**
