PURITAN UNITRANZ-RT® TRANSPORT SYSTEM (3ML FILL & ONE ELONGATED FLOCKED SWAB) >

Puritan's UniTranz-RT®, a universal transport medium system, was formerly known as "UTM-RT." To better reflect the quality of our distinct products, Puritan has renamed this product line as UniTranz-RT®. Puritan's UniTranz-RT® product line has not changed and new validation is not necessary.

PurFlock Ultra® Swabs Mean Better Absorption and Elution

Puritan's UniTranz-RT® transport systems for flu testing utilize proprietary PurFlock Ultra® swabs. Flocked swabs are recommended by the American Society for Microbiology and are suitable for RIDT and viral cell culture.

PURFLOCK ULTRA® SWABS:

- High-performing swab tip provides superior specimen collection through the use of proprietary multi-length fibers
- Multi-length fibers provide quick absorption and rapid elution of sample
- Excellent alternative to nasopharyngeal aspirates & washes

All packaging of products on this document are available in units of 6x50 (6 boxes of 50 each = 300 per case).

PURITAN UNITRANZ-RT® TRANSPORT SYSTEM WITH UNIVERSAL TRANSPORT MEDIUM

Product	Vial Length	Medium Volume
UT - 100	12 x 80 mm	1ml
UT - 300	16 x 100 mm	3ml
