

FUNDRAISING INTELLIGENCE

is business intelligence for nonprofits

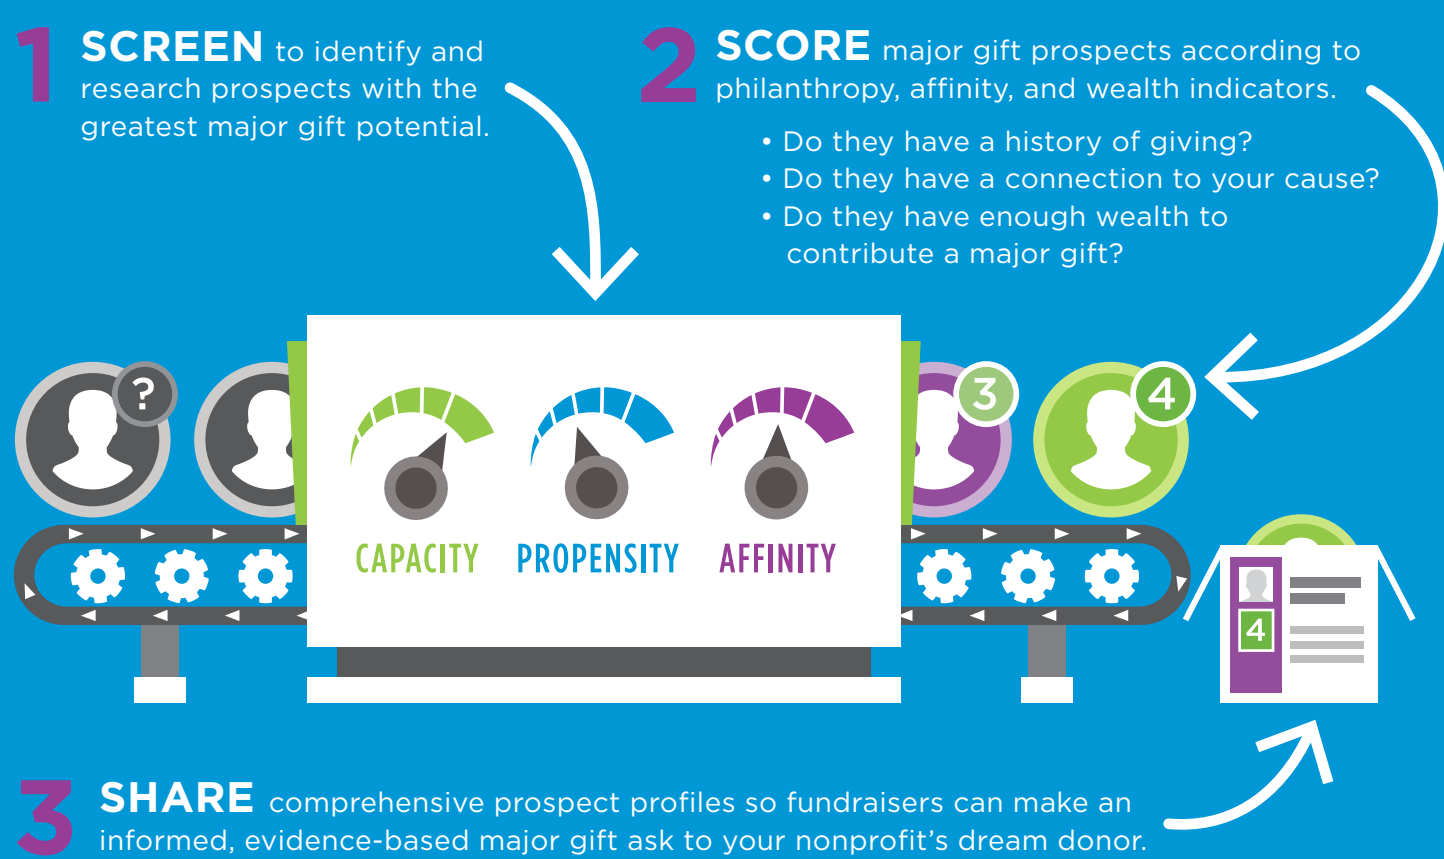

DID YOU KNOW?

In 2016, individuals donated \$282 billion dollars!
(Giving USA)

If you're feeling left out, it's time to jumpstart your fundraising program by gathering data-driven intelligence on donors and prospects.

Here's What Fundraising Intelligence Looks Like

Now Let's Compare Gift Development Strategies

TRADITIONAL FUNDRAISING

driven by hunches and assumptions

John Smith, Investor

- 3 Properties Worth \$8.5m
- 306 Insider Transactions
- Estimated Giving Capacity: \$8m

*Recommend!
Very wealthy. Major gift material.*

FUNDRAISER NOTES
John avoided my calls until I finally got a resounding "NO". Where did we find this guy?!?
MAJOR GIFT LOST.

Jane Thomas, CEO

- Estimated Giving Capacity: \$750k

*Do not recommend.
Maybe next campaign...*
