Small Christian Communities Bringing New Life and Hope

Prayer: Praying together and for one another and sisters and brothers everywhere

Meetings begin and end with prayer.
Members have an opportunity to experience different forms of prayer.

Mission: Reaching out to others in Jesus' Name

If you did it for one of these ... you did it for me.

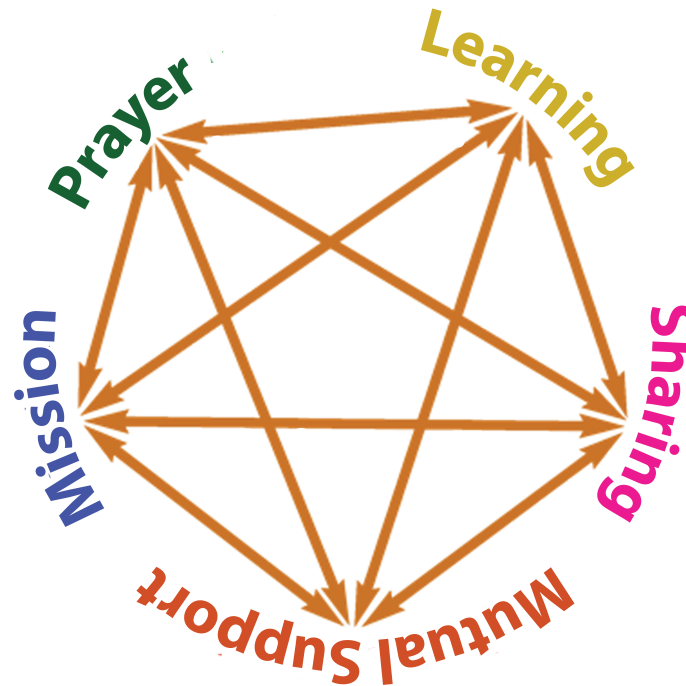

Community members are encouraged and supported in individual and community efforts to reach out to others.

Small Christian Communities are for:

- Youth
- Young Singles
- Married Couples of all ages
- Singled, widowed, divorced persons
- Involved and uninvolved
- New parishioners
- Returning Catholics

Use the easy-to-follow booklet that provides:

- Prayer helps
- True life experiences
- Bible passages and explanations
- Sharing helps
- A challenge to live the faith more fully

Journeying together in faith

Members of small Christian communities encourage one another to live the faith and support one another on their faith journey.

Learning: Deepening understanding of the bible

Each session is based on a biblical text and includes a reflection to help participants link the text to their own lives and experiences.

Sharing: Connecting God's Word with every-day life

Participants are encouraged to share with one another on the theme and the bible passage, so as to deepen their understanding

The first theme of *RENEW Africa* is:

Meet Christ Today: Claiming Jesus as my Lord and Savior

- Who is Jesus for YOU?
- Brother? Redeemer?
- Good Shepherd?
- Healer?

Growing strong in prayer, faith and action, one step at a time!
