Grand Totals	\$2,784,015,452	\$7,395,196,701	\$6,844,652,096

I. Sub Contracts, Task Orders, and Alerts based on those awards:

- ▶ **Ability to receive Daily Contract Award Alerts** to help the agency track spending in any Region, VISN, or contracting office with an eye toward anomaly transactions for corrective action, well before the agency receives the same from the SBA
- ▶ **Ability to track Vendors** receiving awards within and outside of The VA, in a particular PSC or NAICS Code, by Socio Economic Category, by Geographic Location (State, County, Zip, Congressional District, MSA, CBSA, Place of Performance, etc.), across various Business Types, Number of Employees and Annual Revenue, Capabilities, Past Contract History, and more.
- ▶ **Ability to track Sub Contracts** awarded to companies where the Contract stipulates a Sub Contract Plan, and subject to reporting that contract into the Electronic Sub Contract Reporting System (ESRS).
- ▶ **Ability to track Sub Contracts** by PSC and or NAICS, Place of Performance, Company HQ, Socio Economic Category
- ▶ **Ability to immediately drill down on any Sub Contract** to the original Prime Contract awarded in FPDS-NG, with details of other Contracts held by the Prime across all of government
- ▶ **Receive Alerts on Contracts by Region, VISN, and CO** for each Prime Contractor at The VA
- ▶ **Ability to track Task Orders**, a solicitation, an IDIQ contract, with links to pertinent information
- ▶ **Provide a full featured GWAC Center** with the ability to one-click into contracts by their alias names (colloquial names typical of Government Wide Acquisition Vehicle). Track procurements in a manner that allows your agency to monitor use /non-use of one vehicle vs. another. New GWACs can be added upon request within a few days.
- ▶ **View Solicitations By Contracting Officer or Contracting Office**, including industry sector, with links to FPDS transactions tied to a contracting officer, with further links to award documents if available
- ▶ **View GAO protests linked** to original solicitations and award notices with any SOW documents linked to FPDS-NG transactions
- ▶ **Discover solicitations a company** received awards from responding to any released on FEDBIZOPPS

SUBCONTRACTS DATA SAMPLE

- ▶ **Receive a weekly spreadsheet for each of the following critical reports:**
 - **Goaling Reports** for each bureau and CO within your agency
 - **Socio Economic Spending by IDV and Non-IDV Contracts;** in comparison to the previous year:
 - In Dollar Bands of \$3K - \$150K, \$150K - \$500K, \$500K - \$1M, and 1M

and above:

- For each Socio Economic Category
