

# Federal data at your fingertips.

It's quick, easy, and accurate.

Get the real data you need, in real time. Washington Business Journal has partnered with [FEDMINE.US](http://FEDMINE.US) to exclusively bring you FedBiz Contract Data. You choose the federal contract information you need, and create a custom report that you can download immediately. It's that easy.

## Prime Contract Profile®

It's easy! Select the federal contractor you want and generate a report. Some key data that may be included is:

- Most up-to-date contract awards, sorted by agency and nested by bureau
- Detailed contact information, including email addresses
- Contracting activity for the past 7 years

Single reports starting at \$49!

## Agency Profile®

It's a snap! Select the federal agencies and bureaus to generate a report. Some key data that may be included is:

- Top 10 major contracting opportunities
- Top 10 small businesses that were awarded contracts
- Top 10 GSA schedule holders
- Agency expenditures by NAICS

Single reports only \$99!
