

## COMFORT AND DEPENDABILITY

TWIN

COMPACT

STANDARD

Our bassinets are customizable to meet the multiple demands from storing supplies for staff, mom and infant, and to provide peace of mind when the infant is out of one's arms.

### BENEFITS

- Designed and built for the 24/7/365 demands of the healthcare environment
- Premium heavy-duty drawer slides with detents to prevent opening while cart is in motion
- Tested to withstand healthcare germicidal solutions
- Standard 5-Year Warranty
- Bumper strip around cart base
- Choice of finishes

### STANDARD DIMENSIONS & CONFIGURATIONS

34"W x 21"D x 37.5"H

- 2-Drawer
- 3-Drawer
- Doors only
- Drawer/Doors (bottom)
- Doors/Drawer (bottom)
- Custom Configurations

### STANDARD FEATURES

- FDA 510(k) registered: 10054532, device D291909
- Dual Stainless-Steel Handles
  - Non-porous, infection control surface
  - Extended for easier stride when pushing cart
  - Ergonomically positioned to reduce shoulder strain/tension
- Tub-tilt limiters to prevent tub flip-out caused by a toddler sibling pulling up for a better view
- Dual reflux blocks to help 'spitty' babies
- Premium precision 5" diameter casters for smooth, easy-rolling on carpeted hallways, long lasting and minimize lint & hair accumulation
  - 2 Locking, 2 Non-Locking

### AVAILABLE OPTIONS

- Thermofoil finish tops and drawer fronts to enhance infection control
- Workflow & safety enhancing options:
  - Slide-out tray on 100#-rated slides for equipment such as bilirubin pumps
  - Locking drawers/doors: Keyed, mechanical push button or electronic lock
  - Drawer dividers
  - IV Pole and mount
  - Chart holder
- Custom: Design, Finishes and Hardware to accommodate your specific...
  - Workflow: to minimize or eliminate 'workarounds' to enhance safety, accuracy and efficiency
  - Room design: dimensions, finishes, hardware, etc.
