

LOOKING FOR A WAY TO INCREASE YOUR PATIENT EXPERIENCE?

VERSATILE | DURABLE | EASY-TO-USE

Unlike existing over-bed tables, the medical-grade Patient Engagement Table includes an adjustable arm to hold a personal or hospital-issued tablet. Patients can then use the devices to stay connected, entertained and informed. Tablets also are used to schedule follow-up appointments and provide secured patient data, including discharge instructions.

TABLET ENCLOSURE
Sold Separately

VARIABLE HEIGHT ARM
Holds a tablet device with full motion adjustability and easy positioning.

ACCESSORIES

- USB charging module compatible with most tablets and mobile phones
