

LABOR AND DELIVERY CARTS THAT SUPPORT THE MIXED DEMANDS OF EQUIPMENT AND AESTHETICS

The labor and delivery environment is expected to “look like home” as much as it’s expected to manage the ever-growing technology. Offering solutions that perform reliably against the demands of the 24/7/365 healthcare ecosystem. Custom designed to enhance your workflow to minimize or eliminate workarounds.

FEATURES & BENEFITS

BENEFITS OF STARBOARD FURNITURE

- Exclusive Antimicrobial Material protects against surface stains and odor causing bacteria, algae and fungi
- Scratch resistant, color-through enhances aesthetics and infection control
- Easy to clean
- Tested to withstand healthcare germicidal solutions
- Extended 8-Year Warranty

INFECTION CONTROL

- **Germicidal Solutions:** tested against common wipes & solutions
- **Solid Color-through Finish:** Scratch resistant, will not delaminate, rot, chip or swell
- **Spill Guard Tops:** available to contain minor spills
- **Premium Dual Casters:** designed to minimize lint & hair accumulation, roll smoothly

EASE OF USE & MOBILITY

- **5" diameter Premium Casters:** for ease of rolling, even on carpeted hallways
- **Locking Casters:** (2) standard; optional directional (steering) caster available
- **Detents In Drawer & Slide-Outs:** to keep 'closed' when cart is in motion
- **Ergonomic-Height:** handles on Bassinet and keyboard tray on Fetal Monitor Cart for majority population

UNSURPASSED DURABILITY

- **Designed and built for 24/7/365 demands** of the acute healthcare environment
- **Premium heavy-duty drawer slides** with full extension to reach back of drawers
- **Bumper molding** around cart base helps protect the cart, walls and other equipment
