

Bedside Cabinets

In the hospital...we make it all work together

Bedside cabinet use has changed and designs of the past no longer work. If your rooms need personal locker space, or your clinicians need a bedside flip-up side surface, ours can be customized to serve both.

Standard Dimensions: 19"W x 19"D x 32"H

Laminate or Thermofoil Available in the following colors:

Benefits Built into all Cartstrong Furniture:

- Designed for the 24/7/365 wear and tear healthcare environment
