

VICKIE BECK

MAU FAMILY VALUES WINNER

Vickie is an exceptional MAU employee who has gone above and beyond to epitomize the MAU Core Value: Stewardship. Here at MAU, we are known for the principles of responsible stewardship. Vickie has been a member of our MAU family for over 30 years and continues to be a good steward to everyone she works with through MAU's finance department.

STEWARDSHIP

She has been very loyal for the last 30 yrs making sure that all our employees are paid each week and if there are ever any issues with someones pay she goes above and beyond to make sure that it is corrected and that the associate is compensated correctly. She has been with us through many changes and much growth and is always a team player to make sure that the job gets done and lives are made better. The associates getting paid for there work is the most important thing we do here at MAU that affects their lives and families. I think stewardship and dedication are in fact what Vickie Beck demonstrates daily in her work.
