

Premier Barter Exchange

Why Join?

Here are a few reasons to Join

- New Customers – guaranteed!
- Interest-Free Credit Line – *\$2,500b*
- No account receivables or bad debt.
- Co-Op Advertising – 50% rebate on all PBE advertising.
- Opportunity to network with thousands of like-minded business owners

How It Works

1. A new restaurant joins the PBE network.

- PBE promotes this new member, and generates \$10,000 worth of new customers, who pay in Barter Dollars.

2. The restaurant needs an attorney.

- The restaurant uses its new Premier Barter revenue to pay an attorney for their legal services.

3. The attorney fills schedule gaps with this new job.

- The attorney wins a new customer through the Premier Barter network and utilizes its down time to do the work. The restaurant pays \$10,000 Barter Dollars for the work.

4. The attorney spends Barter Dollars on items they need.

- The attorney uses PBE Barter Dollars on \$10,000 of cash expenditures, including \$5,000 in advertising, \$2,000 for printing, \$2000 for office furniture and \$1,000 for accounting services.
