
Use these tips and tricks to help you better search in Google.

SEARCH FOR MULTIPLE PHRASES

Include **“OR”** between words or phrases you wish to search for

i.e.: “dark chocolate” **OR** “white chocolate”
"world cup location 2014" **OR** "world cup location 2018"
"olympics 2008" **OR** "olympics 2010"
“ketchup” **OR** “mustard”

ADD A FILE EXTENSION

Looking for a specific TYPE of document? Say, a PDF? Add the extension at the end of your search to narrow down your results.

Climate change.ppt
Benefits of walking.pdf
Mortgage amortization.xls
Strangers in the night.mp3

TRANSLATE TO A DIFFERENT LANGUAGE

Translate a phrase or a single word from one language to another. Use the phrasing below to accomplish this.
